JOIN HANDS IN REACHING FOR THE SPECIAL CHILDREN

Mentally challenged children face problems like social and family rejections, stigma, helplessness, behaviour problems, financial crisis etc. Their needs and requirements go unnoticed in this social setup and they stay isolated. Such daunting childhood experiences leave a mark in their social functioning. Lifting up the mentally challenged children and making them reach for their dreams has been the vision of Hope Trust.

About us

HOPE PUBLIC CHARITABLE TRUST is a Non-Governmental organization located at Ambattur, Chennai, India. Our organization strives at promoting the living condition of challenged community by providing special education, vocational training and rehabilitation services. Hope aims in removing stigma, creating awareness and empowering mentally challenged community. It also strives for the empowerment of marginalized women through various skill training programs. At present 110 children are there in our organization.

Services offered

At Hope Trust, we believe every child with mental disabilities has the right to be restored to the community. We work together with other NGOs, families and governmental organizations in making the dream come true. Our Programs and services are designed to meet wide range of developmental and special needs for children.

1. HOPE SPECIAL SCHOOL

Providing holistic Special Education to children to cater to wide variety of needs.

2. VOCATIONAL TRAINING

Training children above 14 years of age in activities that help them to be creative and self-reliant.

3. EARLY INTERVENTION CENTRE

Programs designed to help infants and children in age group of 0 to 6 years with fine motor, communication, social, self-help and cognitive skills.

4. DAY CARE CENTRE

Rehabilitation facilities are provided to motivate and encourage children with developmental needs.

5. CARE AND PROTECTION CENTRE FOR MENTALLY CHALLENGED

Shelter and rehabilitative facilities are provided to abandoned children of mentally challenged.

6. APOLLO INSTITUE OF TECHNICAL TRAINING

Skill development programs are conducted to upgrade the economic standard of underprivileged and destitute women.

7. HEALTH AND AWARENESS CAMP

Camps such as Dental, Eye, General Health Check-up, Diabetes etc. are conducted for general public, school children and elderly people.
