## **HOPE PUBLIC CHARITABLE TRUST** **Empowering Lives. Restoring Dignity.**

Since 2007, HOPE has been transforming the lives of children with Autism and Intellectual Disabilities through Special Education, Vocational Training, and Rehabilitation. With a heart for the marginalized, HOPE also uplifts destitute women through skill training—lighting the way to a brighter, inclusive future.

**WE ARE HOPE & YOU ARE OUR HOPE**

## HOPE PUBLIC CHARITABLE TRUST

### 02.04.2024 - HOPE EARLY INTERVENTION CENTER OBSERVES AUTISM AWARENESS DAY

Hope Early Intervention Center, a unit of Hope Public Charitable Trust in Poonamallee, marked Autism Awareness Day with a meaningful celebration of empathy, awareness, and inclusion. Graced by **Thiru S. Srinivasan**, Differently Abled Welfare Officer, and officials from the Tiruvallur District Welfare Department, the event highlighted

the importance of embracing neurodiversity and fostering a more inclusive society. Through creative activities and community engagement, the program shed light on the truths of autism—that children on the spectrum seek not pity but understanding, not exclusion but inclusion.

### 15.04.2024 - IMPORTANCE OF VOTING

The students and staff of Hope Vocational Training Centre for Persons with Intellectual Disabilities, conducted an insightful awareness program aimed at educating individuals about their voting rights and responsibilities as Indian citizens. Through engaging discussions and interactive sessions, attendees were

enlightened about the electoral process, the importance of participating in elections, and the impact of their votes on shaping the nation's future. It also nurtures individuals with intellectual disabilities to be a responsible citizen. By educating them about their voting rights, it aims to empower them to become active contributors to the democratic process.

### 13.12.2024 - SUCCESS STORY OF MI HOME

Mrs. Kanniga, 81 years old, was rescued near Thiruvetriyur, New Street, and Mrs. Pushpa, 61 years old, was rescued from the central railway station by the Greater Chennai Corporation. They displayed symptoms such as mood swings, hallucinations, etc. They both require

consistent psychiatric care, medication, and emotional support. Our professional social worker monitored and gave full-time assistance with activities of daily living (ADLs), including personal hygiene, feeding, and mobility. We, the Hope Public Charitable Trust Shelter for Women with Psychosocial Needs, successfully referred Mrs. Kanniga, 81 years old, and Mrs. Pushapa, 61 years old, to the Aram Care Foundation for placement in their old age home. The inmate, who has no known family support, was identified as requiring specialized care and a safe living environment due to their mental illness, advanced age, and vulnerable status as an orphan. Their age and mental health condition, they need help with daily activities such as feeding, bathing, dressing, and mobility. Our beloved founder, Dr. V. Nagarani, was continuously hard-working, past one year for the referral process of the inmates. That effort brings a positive impact on the lives of inmates. Aram Care Foundation accepted the inmates and is providing the necessary care. Regular follow-
